Re: Request for Information for Radiation-Standard Products, Inc. Site at 650 East Gilbert Street, Wichita, Kansas and the Radiation-Standard Precision, Inc. (former) Superfund Sites, 4105-4129 Pawnee Street, Wichita, Kansas

Dear Ms. Walker:

As counsel for the U.S. Department of the Air Force, you are receiving this letter on its behalf. This letter seeks your cooperation in providing information and documents relating to the contamination at the Radiation-Standard Products, Inc., Superfund Site, 650 East Gilbert Street, Wichita, Kans., and the Radiation-Standard Precision, Inc., Superfund Site, at 4105-4129 Pawnee Street, Wichita, Kans., (both referred to hereafter as "the Site or Sites").

The U.S. Environmental Protection Agency encourages you to give this matter your immediate attention. We also request that you provide a complete and truthful response to this Information Request (Attachment A) and questions (Attachment B) within thirty (30) days of your receipt of this letter.

Description of Legal Authority

The federal "Superfund" law (the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601, et seq., commonly referred to as "CERCLA" and "Superfund" grants the EPA the authority to, among other things: (1) assess contaminated sites, (2) determine the threats to human health and the environment posed by each site, and (3) clean up those sites in the order of the relative threats posed by each. In addition, pursuant to Section 104(e)(C), 42 U.S.C. § 9604(e)(C), the EPA may obtain information relating to the ability of a person to pay for or to perform a cleanup.

Information Request

Under Section 104(e)(2) of CERCLA, 42 U.S.C. § 9604(e)(2), the EPA has broad information gathering authority which allows the EPA to require persons to furnish information or documents relating to:

- A. the identification, nature, and quantity of materials which have been or are generated, treated, stored, or disposed of at a vessel or facility or transported to a vessel or facility;

Attachment A
Information Request
Instructions

1. Answer Every Question Completely. A separate response must be made to each of the questions set forth in this Information Request. For each question contained in this letter, if information responsive to this information request is not in your possession, custody, or control, please identify the person(s) from whom such information may be obtained.
2. Number Each Answer. Precede each answer with the corresponding number of the question and the subpart to which it responds.
3. Provide the Best Information Available. Provide responses to the best of your ability, even if the information sought was never put down in writing or if the written documents are no longer available. You should seek out responsive information from current and former employees/agents. Submission of cursory responses when other responsive information is available to you will be considered non-compliance with this Information Request.
4. Identify Sources of Answer. For each question, identify (see Definitions) all the persons and documents that you relied on in producing your answer.
5. Continuing Obligation to Provide Correct Information. If additional information or documents responsive to this Request become known or available to you after you respond to this Request, EPA hereby requests pursuant to CERCLA Section 104(e) that you supplement your response to EPA. Should you find, at any time after submission of your response, that any portion of the submitted information is false or misrepresents the truth, you must notify EPA of this fact as soon as possible and provide EPA with a corrected response.
6. Confidential Information. The information requested herein must be provided even though you may contend that it includes confidential information or trade secrets. You may assert a confidentiality claim covering part or all of the information requested, pursuant to Sections 104(e)(7)(E) and (F) of CERCLA, 42 U.S.C. §§ 9604(e)(7)(E) and (F), and Section 3007(b) of RCRA, 42 U.S.C. § 6927(b), and 40 C.F.R. § 2.203(b).

If you make a claim of confidentiality for any of the information you submit to EPA, you must prove that claim. For each document or response you claim confidential, you must separately address the following points:

- a. the portions of the information alleged to be entitled to confidential treatment;
- b. the period of time for which confidential treatment is desired (e.g., until a certain date, until the occurrence of a specific event, or permanently);
- c. measures taken by you to guard against the undesired disclosure of the information to others;
- d. the extent to which the information has been disclosed to others, and the precautions taken in connection therewith;
- e. pertinent confidentiality determinations, if any, by EPA or other federal agencies, and a copy of any such determinations or reference to them, if available; and

Attachment A
Information Request
Definitions

The following definitions shall apply to the following words as they appear in this Information Request.

1. The term "you" or "your" or "Respondent" shall mean the U.S. Department of Air Force (Air Force). The term "you" also includes any officers, managers, employees, contractors, trustees, successors, assigns, and agents of the Air Force.
2. The term "person" shall include any individual, firm, unincorporated association, partnership, corporation, trust, or other entity.
3. The term "Site" shall mean the Radiation-Standard Products, Inc., Site at 650 East Gilbert and the Radiation-Standard Precision, Inc., Superfund Site, at 4105-4129 Pawnee Street, Wichita, Kansas.
4. The term "hazardous substance" shall have the same definition as that contained in Section 101(14) of CERCLA, and includes any mixtures of such hazardous substances with any other substances, including mixtures of hazardous substances with petroleum products or other nonhazardous substances.
5. The term "pollutant or contaminant" shall include, but not be limited to, any element, substance, compound, or mixture, including disease-causing agents, which after release into the environment will or may reasonably be anticipated to cause death, disease, behavioral abnormalities, cancer, genetic mutation, physiological malfunctions (including malfunctions in reproduction) or physical deformations; and includes any mixtures of such pollutants and contaminants with any other substances, including petroleum products; and is that same definition as that contained in Section 101(33) of CERCLA.
6. The term "hazardous waste" shall mean a solid waste, or combination of solid wastes, which because of its quantity, concentration, or physical, chemical or infectious characteristics may:
 - a. cause, or significantly contribute to an increase in mortality or an increase in serious irreversible, or incapacitating reversible illness; or
 - b. pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, or disposed of, or otherwise managed; and is the same definition as that contained in Section 1004(5) of RCRA.
7. The term "materials" shall mean all substances that have been generated, treated, stored, or disposed of or otherwise handled at or transported to the Site, including, but not limited to, all goods, substances, hazardous substances, pollutants and contaminants, hazardous wastes and solid wastes, as defined in these definitions.
8. The term "solid waste" means any trash, garbage, refuse, by-products, sludges, and other discarded material, including solid, liquid, semisolid, or contained gaseous material resulting from industrial, commercial, mining, and agricultural operations, and from community activities, and is the same definition as that contained in Section 1004 (27) of RCRA.

Attachment B
Questions

1. Identify the person(s) answering these questions on your behalf, including such person's name, title, affiliation, business address and telephone number.
2. For each and every question and subpart, identify all persons consulted or persons who aided in the preparation of the answer.
3. For each and every question and subpart, identify all documents consulted, examined, or referred to in the preparation of the answer or that contain information responsive to that question or subpart. In addition, provide clear and readable copies of the above described documents.
4. Please provide copies of contracts and all related documents for the contracts with Electronic Communications, Inc., listed in Attachment D.
5. Please provide the address or addresses of Electronic Communications, Inc., at which the work covered in the contracts under Attachment D was/were conducted.
6. Please provide all documents including internal memoranda, correspondence and notes explaining the reason for choosing Electronic Communications, Inc., to do the work covered in the contracts shown in Attachment (D).
7. Answer and attach all documents that refer or relate to Attachment D in the following respects:
 - a. The precise location, address, and name of the facility where disposal, treatment, unloading, management, and handling of the hazardous substances occurred. Provide the official name of the facility and a description of the facility where each hazardous substance involved in such transactions was actually disposed or treated.
 - b. If the location of facility of such disposal, treatment, unloading, management and handling is a different location or facility than was originally intended, please provide all documents that relate and/or refer to the reason that the substances came to be located.
 - c. All intermediate sites where the aircraft accessories, components, engine instruments of other equipment identified in Attachment D involved in each arrangement were transshipped, or where they were stored or held, any time prior to final treatment or disposal.
 - d. The nature, including the chemical content, characteristics, physical state and quantity (volume and weight) of all aircraft accessories, components, engine instruments of other equipment identified in Attachment D.
 - e. The type of paint on all equipment shipped to Electronic Communications, Inc.
 - f. Did the paint referenced in subparagraph (e) include radium?
 - g. In general terms, the nature, and quantity of the non-hazardous substances involved in each such arrangement.

Attachment B
Questions

- h. The condition of the transferred material containing hazardous substances or radium paint when it was stored, disposed, treated or transported for disposal or treatment.
 - i. The final disposition of each type of material including the aircraft accessories, components, engine instruments or other equipment when shipped back by Electronic Communications, Inc., identified in Attachment D.
 - j. State the persons or entities' names who received the aircraft accessories, components, engine instruments or other equipment where shipped back by Electronic Communications, Inc., identified in Attachment D, including their names and addresses.
 - k. Identify all persons who may have entered into an agreement or contract for the refurbishing/painting of any aircraft accessories, components, engine instruments of other equipment identified in Attachment D.
 - l. Identify all persons, who may have entered into an agreement or contract for the disposal, treatment or transportation of a hazardous substance at or to the Site, or any transshipment site. Please provide the persons' titles and departments/offices.
 - m. The type of work to do done include the refurbishing/painting of any aircraft accessories, components, engine instruments of other equipment identified in Attachment D. If refurbishing or painting was performed, identify the contract from Attachment (D) by stating the "EPA" number in the lower right hand corners of documents.
 - n. Did anyone besides the Air Force control and/or transport the aircraft accessories, components, engine instruments of other equipment identified in Attachment D prior to delivery to Electronic Communications, Inc.? If so, please identify including full names(s) and addresses.
 - o. What address was shown for Electronic Communications, Inc., where the aircraft accessories, components, engine instruments of other equipment identified in Attachment D were sent?
 - p. Who selected the location for shipment of aircraft accessories, components, engine instruments or other equipment for contracts listed in Attachment D?
 - q. What was to be done to the aircraft accessories, components, engine instruments or other equipment for contracts listed in Attachment D once they reached Electronic Communication, Inc., if such equipment was not to be refurbished and/or repainted?
 - r. What measures did the Air Force take to determine the actual means of treatment, disposal, or other uses of the miscellaneous aircraft accessories and components, other equipment, engine instruments, or aircraft parts listed in Attachment D after delivery to Electronic Communications, Inc.?
8. Were all miscellaneous aircraft accessories and components, other equipment, or engine instruments aircraft parts listed in Attachment D to be refurbished/painted and returned to the Air

Attachment B

Questions

Force? If the answer to above question is in the negative, what was the Air Force's arrangement for disposal of any such items listed in the previous question?

9. What was the market rate for work to be performed by Electronic Communications, Inc.; what was the market rate paid? Provide all documents upon which your answer is based.
10. What was the market value of any and all miscellaneous aircraft accessories and components, other equipment, engine instruments, or aircraft parts refurbished/repainted prior to work performed under any contract in Attachment D by Electronic Communications, Inc.?
11. What was the intent of the Air Force in contracting to have the work done shown in the contracts for misc. aircraft accessories, and components, miscellaneous aircraft, maintenance or repair of other equipment, engine instruments or any other aircraft parts in the contract's in Attachment D?
12. Please provide all documents showing the rationale for choosing Electronic Communications, Inc., for contracts shown in Attachment D.
13. Did the Air Force ever conduct inspections of the facility leased/owned by Electronic Communications, Inc., where work was performed pursuant to contracts in Attachment D, at any time before or after the afore-mentioned contracts were issued, for miscellaneous aircraft accessories and components, other equipment, engine instruments or aircraft parts prior to the afore-mentioned contracts were issued? If yes, provide the date(s) of such inspections, all copies of inspections, notes, correspondence, and internal memoranda of such inspections.
14. If the Air Force did not conduct inspections of Electronic Communications, Inc., explain the rationale.
